

Christmas Decoration

Open Day, Friday December 9th

What could you do with these?

With a bit of imagination and a few bespoke skills, you can take simple decorative items and turn them into attractive pieces of framed, hanging artwork

Free Seminar / demonstration

10.30 am or 1.00 pm (45 minutes)

To make the most of the items shown here, we look at you how to

- use paint effects on mouldings and mounts
- colour bevel edges with gilt cream
- use a variety of methods to attach pieces onto board
- float mount (and space) artwork on paper

The seminar / demonstration will take approximately 45 minutes. It is being run twice in the day so you should be able to book a time to suit.

Whilst the seminar is free, places are limited and do need to be reserved in advance. To be sure of your place use any of the contacts below to book.
